

Call for Papers for ICMCAE2019

Welcome to the 2019 International Conference on **Mechatronics, Control and Automation Engineering** (ICMCAE2019) which will be held on **December 27-29, 2019** in **Guangzhou, China**.

ICMCAE2019 will provide a premier interdisciplinary platform for scientists, researchers, engineers, practitioners and educators to present and discuss the most recent innovations, trends and concerns as well as practical challenges encountered and solutions adopted in the field of Mechatronics, Control and Automation Engineering.

We invite papers that are both theoretical as well as practical in nature, from both academia and industry. We will be thankful for the submissions to ICMCAE2019.

Submit to ICMCAE

All honorable authors are kindly encouraged to contribute to and help to shape the conference through submissions of their research papers.

The conference emails is icmcae2019@sina.com. Please mail us your papers as attachments.

Publication

All accepted papers for ICMCAE2019 will be published by [Atlantis Press](#) on **Advances in Engineering Research (ISSN: 2352-5401)**, which will be submitted for indexing by **EI Compendex, CPCI-S (formerly called ISTP), Scholar Google and CNKI**.

ICMCAE2019 will also be online available in full text via the press platform.

Excellent papers will be selected and published on SCI and EI journals.

ICMCAE2019 will also be online available in full text via the press platform. Excellent papers will be selected and published on SCI and EI journals.

Conference topics:

| Mechatronics | Control | Automation Engineering |
|-----------------------------|-------------------------------|---------------------------------|
| Human-Machine Interface | Sensing and Sensor Networks | Identification and estimation |
| Modeling of Complex Systems | Robot sensing and data fusion | Factory modeling and simulation |
